HARRINGTON, DE

AUGUST 13 - 16

COME MAKE CONNECTIONS

www.abana.org/2014

Dear Tailgater,

Thank you for requesting this ABANA Tailgate Package for the 2012 Conference.

Tailgating is a popular part every ABANA Conference. It is an opportunity for members to sell, trade and swap a large variety of unique and hard-to-find blacksmithing tools, equipment, books and supplies. There will be plenty of tailgating space available and this time there is covered space in the Kent Building (Pavilion). Anyone planning to operate power hammers or make any excessive noise however must request parking lot space.

As in the past there is no charge for tailgating space. If you plan to spend a lot of time at your tailgating site in the parking lot you should be sure to provide some shade. It will be hot.

Included in this Tailgate Package are:

- 2014 ABANA Conference **Tailgating Rules**
- 2014 ABANA Conference **Tailgating Registration Form**
- 2014 ABANA Conference **Request for Tailgating Space**

We hope you have an enjoyable and profitable time tailgating. We are looking forward to seeing you in Harrington.

Sincerely,

Bill Clemens and David Hutchison
Conference Chairpersons

2014 ABANA Conference

Tailgating Rules

Delaware State Fairgrounds Harrington, Delaware

Here are a few basic tailgating rules meant to make things run more smoothly for everyone.

- Each tailgater must be registered for the entire conference.
- Tailgating space is limited; tailgaters not registering and showing up may **not** get a space.
- Each tailgater must register to tailgate, requesting information is **not** registering to tailgate. If you think you might tailgate, please register for a space **NOW!**
- ABANA asks that each tailgater donate at least one item to ABANA. These items will be used in the ABANA Auction (live or silent) or *Iron-In-The-Hat*. All proceeds from *Iron-In-The-Hat* benefit ABANA's Educational Fund.
- Each tailgater who reserves a space will be assigned a space.
- Tailgating is allowed only in assigned spaces.
- Each tailgater is responsible for all state sales tax.
- The following behaviors are prohibited:
 1. Lighting any kind of fire in the tailgating area.
 2. Camping or staying overnight in the tailgating area.
 3. Making holes in the asphalt.
 4. Tailgating after dark.
- Tailgaters are ultimately responsible for the security of their belongings and any damage to their tailgating site. ABANA will provide overnight site security.
